Dear People of Grace,

The beginning of the school year feels like the beginning of another church year, too, doesn't it? When school starts, our community gathers back together after summer vacations and recreational times away. It is a time when we might pause and give thanks for this past summer. We might take some time to think about how God blessed us during the summer, giving thanks for the specific times and people through whom we were blessed.

It might also be a time to reflect on hopes we had for the summer that were *not* realized. What stood in the way? What might we do to accomplish those hopes in the future?

As we begin this new year, we have another opportunity to submit ourselves to the Lordship of Christ. As we plan our busy fall schedule, let's be sure to block out time for Sunday worship, Christian formation classes, and service opportunities through Grace, like the Backpacker Program for school children and selling pumpkins in October for the support of children in Haiti.

I also want to tell you about a rather unique opportunity we have to increase our knowledge of the Bible. Brian McLaren has written a book called *We Make the Road by Walking — A Year-Long Quest for Spiritual Formation, Reorientation and Activation*. McLaren talked about this book in 2013 at The Wild Goose Festival. He said then that he was writing it in 52 chapters, one for each week of the year beginning with the first week of September, to help us with a general knowledge of the entire Bible. Each chapter contains a talk based on a part of the Bible.

The first chapters or weeks, for example, are on the Book of Genesis.

McLaren refers to himself as a person who loves the Bible. He also refers to himself as a progressive Christian, which means he

takes what the Bible says seriously, but like us Episcopalians, he believes Christ died to take away our sins, not our minds. For this reason, his understanding of Holy Scripture takes into account both ancient and modern ideas, that which is old and that which is new, as the Scripture says. From his other work that I have read, I would say that he understands the Gospel to be about us as followers of Christ serving the world in His Name or us being Christ in the world today.

I'm putting this in my "Parson to Person"

**"...he takes what the Bible says seriously, but like us Episcopalians, he believes Christ died to take away our sins, not our minds."**

letter to you this month for two reasons. The first is to invite you to join the Downstairs Adult Sunday School Class as we study one chapter of McLaren's book each week in the conference room downstairs beginning Sunday, September 7, at 10:00 a.m. The second reason I am including this here is to tell everyone in the parish about this book. Part of our charge from God is to grow in our knowledge of and love for God. This book, either with the class or purchased and read on your own at your own pace, would be a way to do just that. I often hear people, especially Episcopalians, say they don't know much about the Bible and wish they knew more. I commend this book as a way to grow in knowledge of God and in relationship with Jesus.

Blessings,

Fr. Gary

## A Fond Farewell to Charlotte Melson

We send blessings and fond farewells to Charlotte Melson as she moves near Columbia to be with family. Charlotte has been a member of Grace Church for fifty-eight years and has loved her work on the Altar Guild these many years, graciously providing the pita bread, wafers, cleaning supplies and oil for the candles. Charlotte attended the 7:45 service and served God in an important behind the scenes ministry. The Altar Guild will especially miss her.

## Annual Rummage Sale is October 25

Our Annual Rummage Sale is scheduled for Saturday, October 25, 8:00 a.m. to 2:00 p.m. We will arrange, sort items and put them out on tables in the parish hall Tuesday through Friday prior to the sale on Saturday. Each of these days, we usually start working around 8:30 or 9:00 a.m. and continue until 5:00 or 5:30 p.m. You may come and go as your schedule permits. We appreciate whatever you can do — a couple of hours, half a day or every day!

Please begin saving your clean and gently-used clothing and household items. Also we sell books, DVD's and CD's, children's toys, linens (including blankets, sheets, tablecloths, napkins etc.), lamps, small furniture items, gardening tools, small appliances, jewelry, computers and printers, paintings and all sorts of home décor.

Remember we will need lots of volunteers to help during the week and especially on Saturday, the day of the sale. These profits assist with Grace student scholarships for Camp Henry, the Broughton House lunch and much, much more. Plan to come meet others in the parish as we work together and have fun! For information, call Nancy Remmers at 298-9789.

## Thank You, Grace Parish

*Becky Barker*

Thank you, Grace Parish, for the lovely plant, flowers, cards, prayers and kind words which I have received from you in abundance since my mother went home to be with our Lord. You are such a wonderful family in Christ and I love knowing you and working for you and our Lord.

# Children in Song

*Joanna Best*

At Grace we are beginning a strong effort to increase the participation of our children and youth in worship. We will use one Sunday a month for children and youth (each age group having their own week) to rehearse and learn music (which will also include music reading skills and some instruments). Dates for rehearsals are listed below:

Level 1 Atria Music	Sept. 14	Oct. 5	Nov. 2	Dec. 7	Jan. 4	Feb. 1	Mar. 1	Mar. 22	May 3
Level 2/3 Atria Music	Sept. 21	Oct. 12	Nov. 9	Dec. 14	Jan. 11	Feb. 8	Mar. 8	Apr. 12	May 10
Middle & High School Music	Sept. 28	---	Nov. 16	Dec. 21	Jan. 18	---	Mar. 15	Apr. 19	May 17

Note! There will be a special ensemble on April 26!

Dates for music in worship (combinations of all three groups) are listed below:

Oct. 26	Nov. 23	Dec. 24	Jan. 25	Feb. 22	Mar. 29	Apr. 5	May 31
---------	---------	---------	---------	---------	---------	--------	--------

We are working toward an actual children's choir experience — **Kids of the Kingdom Choir**. This will take several years to build up to and we are excited about our start this fall!

Reminder: October 19 is **Children's Sabbath**. The music on that Sunday will be organized by Monty Wooten. Please contact Monty or Cheryl Deyton if you would like to contribute to the Children's Sabbath music.

# Grace Outreach

*Sue Thompkins*

**Thanks to all of you** who so generously donated to the Back to School program. As a result, many foster children in Buncombe County will be able to start their new school year with the supplies they need.

**Grace Backpacker Program.** As the young students at Jones Elementary come back to school for the year, the Grace Outreach Committee begins its Backpacker program once again. Last year we provided food each weekend for forty students from Jones. These children are selected by the school for participation in the program based on need. Our goal is to provide food for the weekend for each child as well as some food that can be used by the rest of the family. Since the children are little and cannot carry large amounts of food at a time, we provide two smaller bags. We also provide a box of food for Asheville High School students who are living independently.

We are looking for volunteers who are willing and able to make a school year's commitment. We need people who can help shop at MANNA food bank, pick up the food, pack the food, and help take it to Jones. Our greatest need is for additional packers. This would involve only a few hours of your time each month at the church. If you would like more information or would like to volunteer, please email [carolbooth@mindspring.com](mailto:carolbooth@mindspring.com).

**ABCCM Food Drive.** We will be having a food drive for ABCCM Sunday, September 21. The bags for food donations plus a list of items that are needed by their food pantries will be in the pews on Sunday, September 14. The food pantries for ABCCM can always use things like peanut butter, canned meats, pasta and sauce. You can find a complete list of suggestions with the bag. Please return your bags filled with food to the church at any service on Sunday, September 21. If you have any questions about this program, you may call Bill Crownover or Sue Thompkins at 230-9328.

## The Pumpkins Are Coming!

The pumpkins are coming Sunday, September 28, so please join us for a free lunch after the last service of the day (around 1:00 p.m.). Afterwards, we'll all pitch in to unload the truck and fill our church lawn with pumpkins large and small. The Pumpkin Patch is a huge annual outreach commitment of Grace Parish in support of Consider Haiti. Each year, we raise \$5000 to \$7000, all of which assists in feeding and giving medical assistance to malnourished children in Haiti. Here at home in the patch, children big and small will enjoy searching for the perfect pumpkin, taking great photos and having some wholesome family time while doing something good for others.

Please help us make this another successful outreach event. We'll need your help to unload on September 28 and to sell pumpkins under the tent throughout the month of October. Sign up details will be available soon.

## Healing Prayer Corner

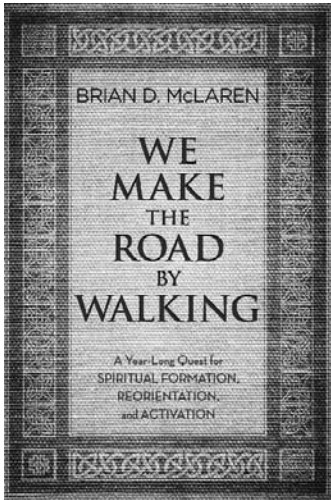

*Jeanne Robertson*

I think it is so exciting to discover a new way to pray. Recently I was watching a DVD presented by Fr. John Rice and he referred to praying using a "Flash Prayer." I had never heard of this type of prayer, but upon hearing his explanation, I was intrigued. A Flash Prayer is a brief moment of prayer for a particular person. Here is how it works: first I see a picture, in my head, of that person with Jesus; Jesus is holding out his hands; I place that person in His hands. And that is it. I leave the person in the capable hands of Jesus. Jesus knows the need and Jesus does the healing.

There are several scenarios in which I could see this being an effective tool for praying. One way would be when we pray for those on the Grace Prayer List that we receive every week in our bulletin. It would take a great deal of time to offer a prayer for each of person listed, but with a Flash Prayer, I can look at a name, call up a picture of Jesus and place that person with Jesus. I have done my part by placing that person with Him.

Another time I could use a Flash Prayer is during the day, when someone's name comes into my mind. I feel that God has placed that person on my mind. So if I immediately commit the person to Jesus, leaving Him holding them in His capable hands, I have effectively prayed for them. So here is just another tool for your "Prayer Tool Bag." Blessings to all of you as we begin a new school year.

# Adult Classes Begin Sunday, September 7

**The Pretty Good Coffee and Conversation Class** (in the Parish Hall) will be viewing a video series called *Embracing Alternative Orthodoxy — Richard Rohr on the Legacy of St. Francis*. In this just-released study for adults, Fr. Richard Rohr introduces us to an orthodoxy (or right belief) lost to much of the contemporary Christian Church — an orthodoxy rooted in Franciscan theology and practice, an orthodoxy biblically grounded, personally challenging, and ultimately liberating. Fr. Richard Rohr is a globally recognized ecumenical teacher, the author of numerous books, a Franciscan priest of the New Mexico Province and founder of the Center for Action and Contemplation in Albuquerque. Join us for this five-session discussion in the parish hall on Sunday mornings at 10:10 a.m. beginning September 7. Facilitated by Becky Hannah. All are welcome!

**The Downstairs Even Better Coffee and Conversation Class** (in the downstairs Conference Room) will be reading together and discussing short weekly segments of Brian McLaren's latest book called *We Make the Road by Walking — A Year-Long Quest for Spiritual Formation, Reorientation, and Activation*. Phyllis Tickle, Episcopal author and speaker, wrote the following about McLaren's book: "One of the most remarkable documents in recent Christian writings... There is no evangelizing here, and no preaching, only a sinewy, but orderly and open, presentation of the faith. The result is as startling as it is beautiful." Because each class will be somewhat autonomous, if you have to miss one or two, it is still worth coming to the others. The first class will be September 7 at 10:10 am. Facilitated by Fr. Gary. All are welcome!

**The Bible Study Class** meets in the library at 10:10, and Dr. Bill Dismukes is the facilitator. The class will decide which book of the Bible they would like to study on September 7. All are welcome!

## Building a School in Kenya

*Fr. Gary Coffey*

Over the past ten years, the family of Watson and Megan Jordan has been working with various charities on projects that would honor their late son, who passed away as an infant. This year, they are working with an organization called "Free the Children." The organization is involved in building schools in various third world countries. Specifically, the Jordan family is fundraising to build a school in Kenya.

In Kenya, public education was made free to all students. However, while this new law is well intentioned, there is a shortage of schools in the country, making it difficult to meet the needs of an increased number of young children trying to get an education. Money raised through this fundraising effort will go toward sending a group over to Kenya along with the supplies necessary to build a school.

The Vestry agreed at its July meeting to designate the loose plate offering on the third Sunday of September to this project. We hope you will be generous in your support. *The loose plate offering on the third Sunday of each month is normally designated for the Parish Ministry Fund (Clergy Discretionary Fund).*

# Acolyting: A Unique Opportunity for Youth

Becoming an acolyte is a great way to encourage your child's involvement in the Episcopal Church. This fascinating and rewarding ministry often lasts well into adulthood, and even if they have moved on into other ministries in later years, adults are always quick to tell you if they were acolytes in their youth.

To serve around Christ's Altar is a unique privilege, and it is a gift the Episcopal Church gladly offers every single child who wishes to become an acolyte. It is a special way to serve our Lord Jesus and a fulfilling way to become part of a team in service together.

Encourage your child or young person to become an acolyte. In the years to come, they will be grateful to have had such a unique opportunity.

**Acolyte Training at Grace**  
**for children and youth in third grade and above**  
**Sunday, October 5**  
**Pizza at 12:30 p.m. — Training, 1:00-2:00 p.m.**

*All trained acolytes are also asked to attend for a refresher and to assist with the training. Fr. Coffey will be present to encourage the new acolytes and to discuss with everyone incentives that are being built into the program.*

## More About the "Early Birds"

*Bill Spencer*

The Early Birds have been at the center of the Men's Study group on Tuesday mornings for approximately five years. But what in our world do we Early Birds study?

We have gone back earlier than the Old Testament in a few places, but we are primarily focused on unraveling the true, critical meanings found at the beginning of Gospel history. We have placed particular emphasis on Jesus' life, studying the depth of meaning of Jesus' approaching the Cross, giving His Will to the Father as He was nailed to the Cross, His process of dying and, amazingly, His Resurrection! Continuing further, what then was the purpose of the Holy Spirit coming after forty days, and what was thereby accomplished for the ultimate Glory of God in this whole process of Salvation for us all?

The Early Bird group is as simple and as complex as that, and we are learning more than we have ever realized! Every Tuesday, from about 8:16 a.m. until approximately 10:00 a.m., in the Library (except during Advent), we get together, and we invite you to join us to better understand what His Gospel could actually mean for your life! Through Scripture and study of some of the critical books of that and our time, the Early Birds continue to take an in-depth look at the real meaning of Christ's coming. You would be sincerely welcomed.

## From Our Altar Guild

*Marzy Israel*

The altar flowers which grace the sanctuary of our church each Sunday are made possible by our generous parish donors. We are currently in need of contributors for some scattered Sundays throughout the year. If you are interested, please call Mary Jane Westall at 254-6221. Also, I am delighted to report that an experienced arranger, Leann Shearouse, has become a member of our flower guild team. We look forward to being inspired by her talent and expertise.

# Slow Start to Second Half of 2014

Total contributions for the first seven months of 2014 were \$247,950, coming in \$3,168 under budget. Without the inclusion of \$6,510 in prior year pledge payments, total contributions would be \$9,678 under budget. When considering all other sources of income, year-to-date receipts totaled \$262,784 with a budget of \$265,078 resulting in a negative income variance of (\$2,294).

Total expenses for the first seven months were \$245,691, coming in under budget by \$19,387. This positive variance is largely due to the timing of future budgeted needs in the areas of Mission & Outreach, Parish Programs and Operations.

When considering the (\$2,294) negative income variance with the \$19,387 positive expense variance, a \$17,093 positive variance results. As remaining 2014 budgeted needs become due, this positive variance will decrease.

Moving ahead, it is our prayer all needs will be met with continued offerings.

**Should I Leave Grace Church My House?** Every now and then you hear about someone leaving their house to a church. For most people, this doesn't happen because they need the house to remain in the estate, or to sell it for continuing care, or to allow their relatives to live in it. But for some folks, it winds up being a way to leave a good gift to the church.

For a person who is sure this is what they want to do, there is a way to arrange for it formally before they die and receive some very handsome financial benefits. This is another case where we just run the numbers and see if it works.

So if you know that leaving the church your residence or secondary residence is what you want to do, please let us know and we can help you discover if you can get a nice benefit ahead of time. Questions? Please call me at 691-6135.
